## **Logistician - Junior**

Full Time Position – San Diego, CA Location  
Active Secret Clearance Required  
Compensation Dependent on Experience and Education

### **Position Description**

TRABUS is seeking a junior-level logistics professional to provide Integrated Logistics Support (ILS) focused on logistics planning, acquisition, products, services, engineering, and documentation required supporting the development, procurement, testing, fielding and sustainment of various Department of Defense related Programs. Candidates with prior military or relevant government experience in the Logistics field are preferred.

### **Responsibilities**

- Support the development, execution, review and update of annual logistics requirements development, future cost plans, sustainment plans, spares provisioning, inventory planning or other integrated logistics program POA&Ms.
- Support logistics and training management team meetings, curricula reviews or other ILS team/program requirements.
- Support the preparation, review, and update of Program Support Documents (PSD), Baseline Assessment Memorandums (BAM), Navy Training Systems Plans (NTSPs) and all other ILS technical documentation.
- Verify and validate ILS certifications, IETMs, MRCs and other technical documentation.
- Interface with Naval Supply (NAVSUP)/Defense Logistics Agencies and other Government logistics supply agencies.

### **Qualifications/Experience**

- Bachelors degree and (3) three years of relevant experience in acquisition logistics, sustainment logistics, training support and/or supply support.
- Four (4) years of general logistics experience and an additional two (2) years of experience in maritime acquisition program experience may be substituted for a bachelor's degree.
- Must be a U.S. Citizen. Secret Clearance required.
- Must possess excellent communication skills (verbal and written) and able to work independently and as part of a team.
- Experience in direct logistics support to an Acquisition program office (PEO/PMW) or similar organization and familiarity with N-ERP a plus.
